Community Christmas Street Party

The Community Christmas Street Party was a huge success. Activities started with free access to the pool for a water gun activity and some slip sliding fun.

The 'Wild West Circus' was enjoyed by all with children learning to juggle, having their face painted and claiming their balloon shaped animal.

During the afternoon, the elderly community members were provided cups of tea and coffee.

The Wiluna Police did a fantastic job cooking up a storm for the community BBQ.

As the sun came down, a community slideshow was shown. It showed photos taken of children and adults from community events throughout the year.

The two large jumpy castles were also very popular with the children. A few adults requested a jumpy castle of their own next year.

Santa, Mrs Clause and Santa's helpers arrived with a police escort to hand out 170 presents to all the good boys and girls of Wiluna.

The finale of the evening was a fire performance by 'Wild West Circus'. The community was delighted and amazed by the dancing while watching the fire sticks being woven in magical patterns in the darkness.

It was a fun filled evening with many community people indicating that they had a fantastic time.

It was a joy to see the all the children having fun and parents relaxing. Thank you to all our sponsors.
