

SHIRE OF WILUNA NEWSLETTER : WONGA

COUNCIL MATTERS

On January 11 CEO Tony Kirwan spoke on ABC Northwest radio and the GWN television news about the unsolved and unacceptable problems this town has with the sewerage system in Wiluna. This is now a more contentious issue as the Water Corporation has deferred the Wiluna project until 2008. Further coverage was given in the West Australian.

There is now action being taken at the highest levels of government and the Shire has been assured measures will be taken

Tourism Committee

Interested in the future of your Wiluna business interest?

How about Indigenous tourism?

On Tues Feb 28, 10 am in the Shire TJUKURBA Gallery meeting area come along to discuss the promotion of tourism in this Shire.

POOL Fills : Opening SOON

The pool will be open as soon as the Health Department issues a chlorine license. The water is now unfit to swim in. Parents be aware that children are trespassing in the pool area unsupervised at night which is unlawful and can be dangerous. Be safe and wait one more week.

WORKS

Currently the grader is operating on North Road doing maintenance work. All roads in the Shire have been recently inspected. This will form the basis of the next round of maintenance and re-sheeting.

The Shire rain gauge measured 133 mls during the month of January. A good start to the year. Some pastoralists have had good falls, for others it has been patchy. Around the town there is a good green pick developing.
